1. There were no apologies
2. No declarations were made
3. The public were invited to speak at any part of the meeting.
4. The minutes of the meeting held 12<sup>th</sup> October were agreed.
5. The notes of the meeting with the P C on 30<sup>th</sup> October 2017 were received.
6. The draft Plan and appendices were discussed and it was agreed:

- \* Appendix 1, would be the Proposals Map and had been prepared by **Richard**

- \* The timetable, old appendix 1, would not form part of the Plan but **Robin** would act as it's "custodian" and keep us to it. The next deadline, draft for consultation, is 15<sup>th</sup> January 2018.

- \* A new appendix showing relationship between Tarvin PC and the Plan area would be added and the Plan would have to be amended to reflect this. **Ted.**

- \* A glossary of terms would be included as an appendix using material from other Plans. Broxton and Davenham were mentioned as sources. **Alison.**

- \* References to post 2030 will be taken out but we will await the feedback from Rosie. **All** chapter authors.

- \* Using the comments on the Plan already circulated by Jane S and by Ted on the appendices, plus any others, which should be circulated asap, there would be additional informal meetings in pairs to amendments to the chapters and their supporting appendices

The first named will take the lead

Leisure – **Robin** and Ben

Environment- **Alison** and Jane

Transport- **Roy** and Ted

Housing – **Joe** and Ben

Health- **Ted** and Carol

Economy – **Ted** and Roy

The idea would be to have an updated draft for the next meeting, 14<sup>th</sup> December. The updated draft would correct the errors, remove the inconsistencies, ensure all policies supported by the evidence etc. **Richard** would be available, via email to answer any queries.

**To achieve this means that the teams need to meet in the next 2 weeks so that updated material can be prepared in time for the December meeting.**

\* We agreed that we did not have time to gather Tarvin specific evidence that residents want to downsize but generic CWaC information is available. **Ted** to get this.

\* We agreed that we do not have the capacity or expertise to undertake a desk top housing needs survey of the Plan area.

\* We need to consider if we can say anything about how low cost housing should be provided. (**Joe** and **Ben**)

\* **Alison** will take responsibility for getting the revised draft, the consultation draft, into a comprehensive digital package. She will liaise with Richard on this. **Richard** will recirculate to everyone the on-line drop box link.

\* At the December meeting the consultation strategy will be tabled for discussion. **Ted**

7. The team for the Village Quiz 12<sup>th</sup> January and 19<sup>th</sup> if we get through the first round will be **Jane**, Alison, Roy, Robin and reserve Carol. Team name, 2030. (The Residents Group should also put in a team!)
